STYLE 800IN - 48" ARC - THE REBEL INVERTED

The Rebel is an umbrella featuring a revolutionary design that allows the water to push away when closing, making it easy when entering or leaving a car or through a door and keeping you dry in the process. Plus, the inverted closing action keeps the dry side of the umbrella on the outside when brought indoors. Specs include a 48" arc, automatic closing mechanics, pongee fabric and a straight rubberized grip handle.
