STYLE SUVDP2 - DUAL PANEL SUV SUNSHADE

Shield your vehicles spacious interior with our SUV-sized Dual Panel Sunshade, made from durable silver-coated 190T polyester to provide exceptional UV-blocking performance. Designed to fit larger windshields, it keeps your cabin cooler, preserving the dashboard, seats, and electronics from harsh sunlight. Installation is quick and effortless, and the sunshade collapses neatly, staying in place with the elastic band and storing compactly in the included pouch, so you can maintain a tidy, organized car when you're on the go.

STYLE CARDP2 - DUAL PANEL CAR SUNSHADE

Enjoy enhanced protection and a cooler interior with our standard-sized Dual Panel Sunshade. Specially designed for smaller vehicles, it is crafted from silver-coated 190T polyester to block up to 99% of harmful UV rays, reducing interior temperature and protecting your upholstery from sun damage. Thanks to its dual-panel design, this sunshade unfolds and installs in seconds, then quickly collapses down and secures with the attached elastic band. For easy storage, simply tuck it away in the included pouch, ensuring a neat and clutter-free vehicle.
