STYLE 2410RPET - 48" ARC - THE SELVA

Our New, ECO friendly umbrella is totally on trend. 48" arc fashion style with a wind vent for added durability. RPET fabric made from recycled plastic bottles, a bamboo shaft and a straight bamboo handle. Carrying case with adjustable shoulder strap is included.

- 48" arc auto open stick umbrella
- RPET fabric (umbrella is made from 5 plastic water bottles)
- Bamboo shaft and handle
- Matching RPET sleeve with shoulder strap

RPET + Bamboo! In addition to the canopy being made of 5 recycled plastic bottles, the handle and shaft of the 2410RPET are made from bamboo. What makes bamboo a good choice for eco friendly promotions? Bamboo is a very sustainable material with an amazing growth rate. Some species of bamboo trees grow more than three feet each day, which is faster than any other plant on the planet! #choosebamboo

With the purchase of each RPET product we sell, Peerless will donate 1% of the net proceeds to the Rainforest Action Network.
