

## WEATHERMAN®

### STYLE WEA062 - 62" ARC - THE WEATHERMAN® 62 GOLF UMBRELLA

The Weatherman® Golf umbrella is the perfect companion on the golf course. Industrial-strength fiberglass prevents breaking and inverting, and vented canopies withstand winds up to 55 mph. The water-repellent fabric keeps you dry, and the UPF 50+ barrier protects you from the sun, making Weatherman the perfect golf umbrella for rain – or shine. Features reflective accents that help keep you safe at night. A large mesh pocket offers handy storage, and a silicone-coated rib makes for an ideal place to hang your towel so it doesn't slip off. Weatherman logo is printed on both one panel of the umbrella and on the included sleeve. Retail styled packaging features a tag and warranty instructions and individually boxed for easy and quick distribution.

Winner of the 2018, 2019, 2020, & 2021 Golf Digest Editors' Choice Award for Best Golf Umbrella.
